ABOUT THIS BOTTLE

The 2022 Bois Joli Riesling is a white wine characterized by its vibrant acidity and refreshing profile. It features notes of green apple, pear, and citrus, complemented by a hint of floral aromas. The wine is crafted from grapes grown in a cool climate, which enhances its crispness and minerality. It's recommended for pairing with seafood, salads, and light dishes, making it a versatile choice for various occasions. The 2022 vintage reflects a balance of sweetness and acidity, appealing to both Riesling enthusiasts and newcomers alike.

Brooks Wine is distinguished by its commitment to sustainable practices, including organic and biodynamic farming methods that promote biodiversity and soil health while minimizing synthetic inputs. Their initiatives also encompass water conservation, renewable energy use, and active community engagement, culminating in recognition as the 2023 Green Company of the Year for their leadership in responsible winemaking and environmental stewardship.

Brooks Wine has been recognized for its leadership in sustainable winemaking and was awarded the title of 2023 Green Company of the Year.
