ABOUT THIS BOTTLE

The wine showcases a fruit-forward profile, featuring vibrant flavors of black cherry, blackberry, and boysenberry. These fruity notes are beautifully complemented by subtle hints of chocolate, leather, graphite, mint, and dried herbs, resulting in a complex and layered tasting experience. On the nose, the wine presents an aromatic richness characterized by aromas of black currants and Bing cherries, along with intriguing notes of rosemary, cedar, and sandalwood. This combination enhances the overall sensory experience of the wine.
