

Blended Irish Whiskey Gelston's

Tech Specs

Type:	Irish Whiskey
Region/Subregion:	Ireland
ABV:	40%
Sizes Available:	750ml

All about this bottle

Samuel Gelston's Blended Irish Whiskey is meticulously crafted from a harmonious blend of locally sourced Irish malted barley and grain. Through a meticulous triple distillation process, it achieves unparalleled smoothness before being carefully matured in exquisite ex-bourbon oak casks. This meticulous fusion of triple distillation, premium ingredients, and expert cask aging results in a sophisticatedly smooth and remarkably flavorful whiskey. Its rich nuances can be enjoyed neat, over ice, or as a delightful addition to a refreshing long drink. Nose: Delicate with a little dry spice, hints of fruit and hard candied sweets. Palate: A little spicy with a smooth honeyed mouth coating and a little grain and nut. Finish: An enjoyably long and elegant finish.
