## A closer look...

<b>Total Production:</b>	190 cases
<b>Farming Methods:</b>	Hand harvested
<b>Winemaker:</b>	Johanna Jensen and Jack Roberts
<b>Fining/Filtration:</b>	No

## All about this bottle

Organically grown in the Sierra Foothills at the David Girard Vineyard. Carbonic fermentation for 10 days followed by a mild foot stomp to complete the fermentation process. This wine spent six months in neutral wood before bottling, and it has no dissolved oxygen. This is a soft, fruit-forward wine that benefits from being served either cold or at cellar temperature. Natural yeast fermentation, no added filtration or fining.
