## ABOUT THIS BOTTLE

This 100% Pinot Grigio from the Veneto region of Northeastern Italy presents a beautifully balanced, medium-bodied profile that exemplifies the elegance of this classic grape variety. The wine is vibrant and fresh, with a lively bouquet of citrus and stone fruit aromas, leading to a harmonious palate where notes of crisp green apple, zesty orange, juicy peach, and a touch of lemon zest unfold. The subtle interplay of fruit flavors is complemented by a refreshing acidity, giving the wine both depth and finesse. Its bright and clean character makes it a versatile choice for pairing with a variety of dishes.
