ABOUT THIS BOTTLE

An informal expression often used to shrug off an apology or a potential problem, "Pas de Problème" serves as their answer to the challenge of finding a casual, affordable, and highly drinkable Sauvignon Blanc. Pas de Problème is sourced from vineyards in the Languedoc region, specifically around the village of Béziers. Driven by aromatic notes of lemon, peach, elderflower, and white flowers, this cuvée offers a crisp and taut expression of Sauvignon Blanc from Languedoc, with pleasant minerality and a well-balanced profile.
