<b>Winemaker:</b>	Juanan 'Rico Nuevo'
<b>Fining/Filtration:</b>	No

## All about this bottle

Rico Nuevo selects plots from different parts of the Alto Alberche Valley that draw the Grenache on the granite soils. It aims to be a fruity wine with a slight mineral touch and floral notes. It is sweet, fresh, and casual, suitable for drinking without much contemplation while still maintaining the identity of the place. The wine is not filtered or clarified. It may have sediments.
