ABV:	13.60%

All about this bottle

"It is only natural that Abraxas is a standout wine from vintage to vintage. The Riesling, Pinot Blanc, Pinot Gris and Gewurztraminer are organically farmed in the cool climate of RSV's Scintilla Sonoma vineyard. This wine shows brilliant, integrated complexity led by a floral bouquet of jasmine, honeysuckle and spring citrus blossom; followed by fruit flavors of green apple, D'anjou pear, fresh Meyer lemon and tangerine. Focused, riesling-driven minerality is one of the many layers of texture that offer a nod of respect to the great aromatic whites of France, Germany and Austria. It is a deliciously dry wine that is great with the classics."
