ABV:	13.60%

All about this bottle

"The vintage of 2017 was as exciting as riding a bronco on a rollercoaster in a hurricane. The drought was almost broken by a record 28 inches of rain that fell by the end of February, followed by another 1 to 3 inches in April. Then a blistering, week-long heat wave towards the end of August and into September accelerated ripening. Low yields combined with organic, regenerative farming methods allowed the fruit to achieve full physiological ripeness, while a night harvest helped maintain natural acidity. Just the right amount of skin contact during fermentation lends the wine a beautiful copper hue and grip on the palate from tannin that weaves a hint of salinity behind the savory notes of dried herbs and aromatic fruits. Flavors of quince, blood orange zest, apricot and loquat are subtle and delicious."
