A closer look...

Total Production:	488 cases
Farming Methods:	Organic farming, hand harvested
Fermentation Methods:	Native yeast
Winemaker:	Anish Patel
SO2:	35ppm

All about this bottle

Organic grapes hand-picked in Paso Robles. The Gewürztraminer was destemmed and underwent 7-days of skin-contact and native yeast fermentation in stainless steel tanks. Pressed Zinfandel grapes and juice were then added to the Gewürztraminer for a cool co-fermentation. The wine was pressed and aged sur lie in oak barrels for 3 months.
